

VEHICLES REQUIRING SPECIAL TAG MOUNTING

The vehicles listed below are equipped with special windshields that contain metal in the glass that prevents the E-ZPass Tag from being read properly. Customers with these windshields must obtain License Plate Tags (LPT). If you are unsure about whether your vehicle has one of these windshields, contact the dealer where you purchased your car. This vehicle list may change. If you have any questions regarding your vehicle, call the Customer Service Center at 1-800-468-9946.
