

EXHIBIT VI

Discount Programs:

Passenger and Commercial E-ZPass Discounts shall be 5% off the cash toll effective June 29, 2008. As cash rates increase, the discount will be 5% off the increased cash rate.

The fee for the Annual Permit is \$80. Effective January 1, 2009, the fee for the Annual Permit shall be \$84. Effective January 1, 2010, the fee for the Annual Permit shall be \$88.

The Temporary S-Discounts (the special additional E-ZPass discount primarily for 48' non-tandem commercial (5H, 6H and 7H) vehicles) shall be available to only those E-ZPass customers of the New York Customer Service Center (NYCSC) Authorities effective July 1, 2009.

Tappan Zee Bridge commuter plan. Plan participants are charged \$ 2 per eastbound trip across the Tappan Zee Bridge. Effective January 1, 2009, plan participants will be charged \$3 per eastbound trip across the Tappan Zee Bridge. Under this plan, a minimum of 20 trips are charged to the customer's account on a monthly basis.

Tappan Zee Bridge carpool commuter plan. Carpool plan participants having three or more occupants in the vehicle and only when using staffed lanes are charged \$.50 per eastbound trip across the Tappan Zee Bridge. A minimum of 20 Tappan Zee Bridge trips are charged to the customer's account on a monthly basis under this plan. Customers will be charged the Tappan Zee Bridge commuter plan rate for trips made through either dedicated E-ZPass Lanes or through staffed lanes with less than three occupants.

Grand Island Resident Plan. Grand Island residents with valid proof of residency, will be charged \$.09 per trip northbound across the South Grand Island Bridge and southbound across the North Grand Island Bridge.

Grand Island Bridge commuter plan. Plan participants are charged \$.25 per trip across the Grand Island Bridges (northbound across the South Grand Island Bridge and southbound across the North Grand Island Bridge). Effective January 1, 2009, this charge will be \$.26 per trip across the Grand Island Bridges. Effective January 1, 2010, this charge will be \$.28 per trip across the Grand Island Bridges. Under this plan, a minimum of 20 Grand Island trips are charged to the customer's account on a monthly basis.

Harriman commuter plan. Plan participants are charged \$.50 per trip at the Harriman Toll Plaza. Effective January 1, 2009, this charge will be \$.53 per trip at the Harriman Toll Plaza. Effective January 1, 2010, this charge will be \$.55 per trip at the Harriman Toll Plaza. Under this plan, a minimum of 35 trips will be charged to the customer's account on a monthly basis. The discount does not apply when traveling north from Harriman onto the controlled portion of the Thruway.

New Rochelle commuter plan. Plan participants are charged \$ 1.00 per northbound trip at the New Rochelle Toll Plaza. Effective January 1, 2009, this charge will be \$ 1.05 per northbound trip at the New Rochelle Toll Plaza. Effective January 1, 2010, this charge

will be \$ 1.10 per northbound trip at the New Rochelle Toll Plaza. Under this plan, a minimum of 20 trips are charged to the customer's account on a monthly basis.

Yonkers commuter plan. Plan participants are charged \$.50 per trip at the Yonkers Toll Plaza. Effective January 1, 2009, this charge will be \$.53 per trip at the Yonkers Toll Plaza. Effective January 1, 2010 this charge will be \$.55 per trip at the Yonkers Toll Plaza. Under this plan, a minimum of 35 trips will be charged to the customer's account on a monthly basis.

Other Discount Programs:

Customers who apply and qualify for the following discount programs will be issued discount specific tags:

Motorcycles. Customers shall be charged 50% of the cash rate.

Motorhomes. Customers shall pay the low rate per axle instead of the high rate per axle.

Special Discount Towing Plan (Pick up trucks towing a trailer using a 5th wheel hitch (gooseneck trailers)) shall receive a discount off the cash rate as indicated in the charts attached hereto as Exhibit VI(a).

Green Pass Discount Plan. Customers shall receive an additional 10% discount off of the E-ZPass discounted rate. This plan is available to customers of the NYCSC Authorities and applies to certain passenger hybrid vehicles that meet certain fuel efficiency and emissions standards as previously adopted by the Board.
